Delta Adapts Public Review Draft Vulnerability Assessment available

The [Delta Adapts Public Review Draft Vulnerability Assessment](#) is now available for public comment through February 15. The draft vulnerability assessment evaluates the vulnerability of the Sacramento-San Joaquin Delta and Suisun Marsh to climate impacts through the end of the century. Supporting technical materials for the vulnerability assessment are also available for public review at the link below. Please email comments or questions to climatechange@deltacouncil.ca.gov by February 15.
