

## California Legislature & Water Policy Webinar Series

**CSU-WATER in partnership with the Maddy Institute and the Office of Assemblyman David Tangipa are hosting a statewide webinar series designed to help students, faculty, and stakeholders understand how California's Legislature shapes water policy—and how emerging leaders can get involved.**

**3-Part Virtual Series • 2:00–3:00 PM  
January 29 • February 5 • February 12**

### Why Attend

- Learn how ideas become water policy
- Understand current and future water challenges
- Hear from legislators, committee consultants, and water policy experts
- Listen to expert opinions on policy and water workforce connections
- Engage in bipartisan, cross-regional conversations

### SESSION LINEUPS; Guests & Panelist Rosters on p2

Session 1: "Ripples to Rules—How Ideas Flow Into Policy"

**January 29 | 2:00–3:00 PM**

An introduction to how the California Legislature works, featuring consultants from key water-related committees.

**Topics include:** the legislative process, committee roles, and how policy is shaped.

Session 2: "Making Waves—Water Policies & Workforce Needs"

**February 5 | 2:00–3:00 PM**

A look at today's most pressing water policy issues and workforce needs.

**Topics include:** SGMA, water rights, new water policies, and water workforce trends.

Session 3: "Future Water Management & Policy—Leadership for What's Next"

**February 12 | 2:00–3:00 PM**

A forward-looking discussion on climate resilience, long-term planning, and future leadership needs.

**Topics include:** climate-driven water challenges, SB 72 influence on future supply planning, and next-generation workforce projections.

### Who Should Attend

CA University students (CC, CSU, UC), faculty, water agencies, legislative staff, community organizations, and the public.
